

Riptide Swim Team 2020/2021 Information

With Head Coach Doug Mann

Hi Parents. As all of you can imagine, things will look a little different this year. At this time, due to the current regulations set by the Board of Health, our programs are limited to having 8 swimmers per group. This alters our normal way of doing things for everything including registration, pricing, make-ups, etc. With that in mind, we will be accepting registrations for the first two sessions in hopes that by Session 3, things may look a little different and we are able to resume the way we typically operate. Those that are registered for Session 1 and 2 will have first chance of registering for future sessions once those are available. Please carefully review the below information. As always, please let me know if you have any questions. Thank You!!
